

# Comic Book Binding Prices

Effective March 1, 2011

## Comic Book Binding:

Books would be bound, rounded, & backed, hard cover in Buckram, in a color of your choice. Lettering is available in gold, white, black, silver, copper, red, blue, green, yellow, orange, brown, purple. Lastly we have Sew thru fold/Smyth Sewn method which is very durable and includes no loss of inner margin.

### All sizes up to 12" in height

Qty	DFAB	Oversew	Smyth
1	\$20.00	22.00	26.50
2-4	17.50	19.50	24.00
5+	15.00	17.00	21.50

## Picture Bind/Graphic Covers:

Cover is illustrated with artwork provided by customer. For an additional fee we could copy artwork from one of your volumes (Color 4 Ever) or our graphics department can create a cover for you (Picture Perfect). These processes would include front, back and spine if needed.

### All sizes up to 12" in height

## Half-Bind Picture Covers/Mounted Covers:

Our closest method to the "half-bind picture covers" would be a Buckram cover with illustration mounted on front and/or back covers. We can make copies of the covers at your request so that your comic books can remain in-tact. Since we mount the cover, or copies of the cover, no work is required from you—just tell us what to put on the front and/or back covers.

## Custom Storage Boxes:
